THIS WEEK'S PROGRAM

Crystal Bacher, RYE Outbound Student
2004 - 2005

Every year approximately 7,000 students world wide ages 15 1/2 to 18 1/2 go abroad under the auspices of the Rotary Youth Exchange program, either for the academic year or an extended period of time. The increased self awareness and global perspective that they derive from the experience would not be possible without the commitment of the many volunteer host families and the dedication of volunteer Rotarians who serve as Youth Exchange officers and committee members.

And every year 25 -30 students from Rotary District 5190 go abroad to over 20 countries, and approximately 25 - 30 students come into communities in the eastern Sierra and northern Nevada.

MESSAGE FROM PRESIDENT ELECT – MARTHA GREENE

I am in the beginning stages of organizing a Friendship exchange with Rotary Clubs in Poland. I am looking for a few club members who would like to travel to four cities in Poland after the convention in Scandinavia. In each city we would be hosted by Rotarians and get to see the city from a native's point of view. No Polish required and I expect the entire trip will take about 12 days. Let me know by the end of the year if you are interested so we can start making plans.
