THIS WEEK'S PROGRAM

Field Trip to Pioneer Center – Performing Arts

Located in the heart of downtown Reno, this wonderful theater is the home of the Reno Philharmonic, the Nevada Festival Ballet and the Nevada Opera. The main theater offers 987 seats and the balcony has 513 seats. State-of-the-art sound and lighting systems make all performances a pleasure to see and hear. An 11,000-square-foot exhibition room is also available at the center. One of the most popular events is The Nutcracker presented every December by the Nevada Festival Ballet. Many concerts for children are held during the year to increase their knowledge and love of music and dance.
