Four Avenues of Service

The term "Four Avenues of Service" refers to the four elements of the object of Rotary: Club Service, Vocational Service, Community Service, and International Service.

Although the Avenues of Service are not found in any formal part of the constitutional documents of Rotary, many Rotarians use this concept to describe the primary areas of Rotary activity.

- Club Service involves all of the necessary activities Rotarians perform to make their club function successful.
- Vocational Service describes the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other members of the club, as well as the responsibility of the club to undertake projects related to such areas as career planning, vocational training, and the promotion of high ethical standards in the workplace.
- Community Service pertains to those activities that Rotarians undertake to improve the quality of life in their community. It frequently involves assistance to youth, the aged, the disabled, and others who look to Rotary as a source of hope for a better life.
- The fourth Avenue of Service, International Service, describes the many programs and activities that Rotarians undertake to advance international understanding, goodwill, and peace. International service projects are designed to meet humanitarian needs of people in many lands. When a Rotarian understands and travels down the four Avenues of Service, the object of Rotary takes on even greater meaning.

WHAT IS THIS NEW GENERATIONS CLUB?

By Martha Greene

Jan Gage mentioned the New Generations Rotary club in her presentation last week. Today I will share some information about this club with members of Reno Sunrise.

Ty Kirkpatrick has been the motivating force behind this soon-to-be-chartered new Rotary club. The club meets in the Enoteca room downstairs in the Siena on Mondays at 5:30. Jim Gerhard suggested this time and place because Enoteca is closed to the public on Mondays.

New Generations refers to the target audience of this new club. Recruitment is aimed at young (30 – 40 years old) professionals. This fills the gap between Rotaract and the "big" clubs. Because this age group typically has many demands on their time the meetings are just one hour long. Members may meet at 5:30 for a drink, however the official meeting begins at 6:00 and lasts one hour. No meal is served which keeps the price low. The classification system is looser than in other Rotary clubs.

Once this club is chartered it will be the second in the Rotary world!

Congratulations to Ty and Mike Clifton for their hard work and foresight in creating this club.
