### Prez Sez.....

Here we are at July 1<sup>st</sup> and a new Rotary year. And a new leader, one who is serving his second time as a Rotary Club President. Well, in Reno Sunrise there are not too many of us left who haven't been President, so.... But as Past R.I. President Cliff Dochterman said in his entertaining keynote address at P.E.T.S. in March, "If only I could be club president again, I would....." Well, here we go again!

We have a new Rotary International President as well, Kalyan Banerjee, the first ever from India. And his very colorful logo and theme "Reach Within to Embrace Humanity". As he parlayed at President Elect Training "I ask you to look within yourselves, to understand that all humanity has the same dreams, similar hopes, the same aspirations and similar problems. Whoever we are and wherever we live, each of us yearns for the same peace and contentment and for the same fulfillment in our daily lives. What we work to bring to others, we must first find within ourselves because what we wish for ourselves is what others wish for themselves as well."

In Reno Sunrise, we also have a number of new leadership team members. Sue Collins, who as you know has been active in RYLA and with the District, will lead all of our Youth/New Generations activities and programs. Past President Jim Van Winkle will lead our Service Projects Team. Past President Kerry Crawford and President Nominee Mark Kattelman will lead what I call "Pedaling Rotary" which combines our new fund raiser with public relations. In the process of promoting the event they are doing public relations for our club and Rotary. All four will also be joining our Board of Directors.

Other new leaders who have stepped up to help are Past President Ed Basl for our Fun & Fellowship events, Director Ron Simpkins for our Rotary Foundation efforts, Past President Jack Meadows for Polio Plus/Eradication and President Elect Tommy Tucker for Membership.

The club leadership team met at my home in early June to discuss plans and goals for the 2011-12 Rotary year and we will share those outcomes with you over the next few weeks. Also, at our first quarterly Club Assembly on July 15<sup>th</sup> we will ask you to complete a member satisfaction survey to ensure as we go forward that your ideas, suggestions and constructive criticisms are included in our plans and goals as well.

I'm excited about the upcoming year, our leadership team, our new meeting venue, and our plans. Hopefully, together we can take the club to a new level of service, fun and success.

John Hetz, President, Reno Sunrise Rotary 2011-12

## Edible Pedal 100 News

We will soon be announcing the names of our great food and beverage vendors who will be at the post-ride BBQ. Also, the final jersey artwork is complete. Riders will be able to purchase from our online store soon.

But right now we need club members to contact and hopefully sign-up the sponsors assigned to each of you. We also need riders, so please get the word out to your family members, friends, neighbors and business acquaintances about the event. And because our event is the same weekend as the Reno Air Races, you need to tell riders to book their hotel rooms now. Our website [www.EdiblePedal100.org](http://www.EdiblePedal100.org) has ideas on where to stay.

## Guiding Principles of Rotary

### **The Object of Rotary**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service.
- SECOND. High ethical standards in businesses and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life.
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

### **The Four-Way Test**

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

### **Mission**

The mission of Rotary International, a worldwide association of Rotary clubs, is to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.
