What a great letter to the editor in Tuesday's Reno Gazette Journal about Edible Pedal 100™ from a participant. In case you didn't see it here you go.

Event showcased all that we have to offer

Usually when I feel compelled to offer my thoughts in this forum, it is to send another partisan volley in one of our many polarized policy debates, but today I feel privileged to celebrate a happy occurrence in our community.

I took part in the first annual Edible Pedal 100, a bike ride that featured many of the best things about Northern Nevada: outdoor activities, healthy recreation, friendly faces, gorgeous scenery and a burgeoning local food movement.

All those who organized and supported (and, yes participated in) this event have my gratitude and sincerest wishes for the event's continuation. Events like this bring us closer together as a community and showcase all that Northern Nevada has to offer.

I saw hope for our struggling economy in the allure of challenging outdoor recreation, bounty of local farmers and brewers, and talents of Carson High culinary arts students. We should celebrate and support these parts of our community now and for years to come.

Kyle Edgerton, Reno

Thank you Kyle for those remarks and feedback. And to the many other participants who have been very complimentary. We have already asked for club member feedback and will devote a portion of our Club Assembly on October 14th to a de-briefing of the event by Kerry and Mark, to ensure the 2nd annual next September is even better.

Upcoming Rotary Events

Back to School Shopping

As Don Iddings recently announced, the annual Reno Sunrise Back to School Shopping event for Palmer Elementary students will be on **Tuesday, October 4th** from 5:30-7:00pm at Kohl's in Sparks. The store is located at 5035 Pyramid Way. This year we will provide financial assistance to 30 students, so we will need more than the usual number of volunteers to accompany the students and help them spend their allotted money. Let Don know if you can help at his home phone (626-3558), cell (530-774-5929) or email ddilrar@yahoo.com.

Guiding Principles of Rotary

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service.
- SECOND. High ethical standards in businesses and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life.
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Mission

The mission of Rotary International, a worldwide association of Rotary clubs, is to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.
