Prez Sez.....

Thanks to everyone for the good turnout for the District Governor visit last Friday, as well as the Special Board Meeting on Thursday. Everything went really well, and our visitors left with a very positive impression of our club and all that we do. Alan and Jeanne Cain also thank everyone for their gifts. We accomplish an awful lot with our fifty plus members, so it was easy to relate our story.

Speaking of all that we do, Don Iddings, our event coordinator, and I want to thank all of you, your family members and friends who participated in our annual **Back To School Shopping** at Kohl's on Tuesday. There were 19 of us in all helping the 30 Virginia Palmer Elementary students spend their \$90 a piece for clothing. After Kohl's discounts and rebates we came in slightly under our \$2,200 budget for providing needy students with school clothing including shirts, pants, coats and shoes. Thanks also to Principal Sue Parks and Counsellor Colleen Tuttle for attending, selecting the students, and coordinating the school efforts. And to Nellie at Kohl's for coordinating their effort including a very efficient checkout.

As we go forward in October, November and December, for those of you who were unable to assist with EP100 or the above events, there will be other opportunities to serve. As Jim Van Winkle announced recently, we will be participating in the **Adopt-A-Spot** program of **Keep Truckee Meadows Beautiful**. Our "spot" is a one mile stretch of Rock Boulevard in Reno from Rock Park along the Truckee River to Energy Way. It's on the east side of Reno Tahoe Airport and is a busy and

visible road where there will be a sign with our club name. Our job will be to clean it up three times a year. Jim will also be arranging the painting of a fence at the Sun Valley home of an elderly gentleman. This project was originally scheduled a few months ago, but for various reasons did not happen. Jim will provide details on both projects soon.

The annual **Rotary Middle School Career Coaching** days will be held on November 2nd and December 5th. Charlie Fettig is coordinating our volunteer effort so contact him if you can help.

Toward the end of the year, we'll have our annual **Angel Tree** project at Virginia Palmer Elementary. Don Iddings tells me we'll need to get our gifts to the school by December 15th. And Jim Gerhard has volunteered to head up our annual **Salvation Army Bell Ringing** effort on December 3rd at Trader Joe's. More details to follow.

Your active participation in our service projects and fund raising is sincerely appreciated. Reno Sunrise truly lives up to the Rotary motto "Service Above Self".

Guiding Principles of Rotary

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- FIRST. The development of acquaintance as an opportunity for service.
- SECOND. High ethical standards in businesses and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life.
- FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four-Way Test

The test, which has been translated into more than 100 languages, asks the following questions:

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Mission

The mission of Rotary International, a worldwide association of Rotary clubs, is to promote high ethical standards, and to advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders.
